

Accessing Your Virtual Computer Using the Web Access Feature

1. Go to <https://view.bchornets.com/>

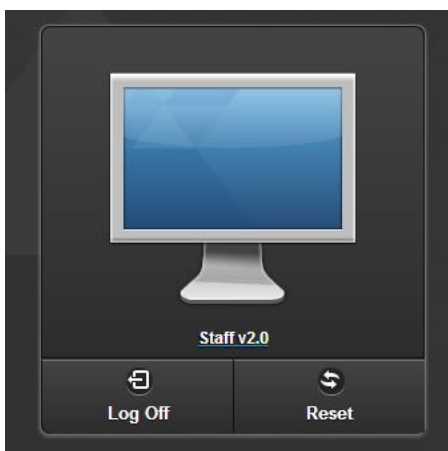

2. Click on

3. When you get to this screen, enter your username and password. This is the same information that you use to log on to a computer at school.

A screenshot of the "Log In" form. The form has a blue header with the text "Log In". Below the header, there are three input fields: "Username" with a placeholder "Username", "Password" with a placeholder "Password", and "Domain" with a dropdown menu showing "BCSD". At the bottom of the form, there are two buttons: "Cancel" and "Log In".

4. When you get to this screen, click on the virtual computer that you want to access. (As a student, your computer will not be labeled "Staff.")

If you are asked to enter a connection server at any point, use the following:
