

# HORNET TARGETS TRACKER

## 4TH GRADE SCIENCE

*Discover · Explore · Practice · Create*

1

*I CAN understand that plants have both internal and external structures that serve various functions in growth and survival.*

5

**I CAN explain how light is a form of energy.**

6

**I CAN understand how the Earth's surface changes through natural occurrences.**

7

**I CAN understand how earthquakes and volcanoes affect the Earth's surface.**

8

**I CAN understand the importance of fossils and what they tell us about the history of the Earth.**

2

*I CAN understand that animals have both internal and external structures that serve various functions in growth, survival, and behavior.*

3

**I CAN understand that energy can be moved from place to place by moving objects or through electric currents.**

4

**I CAN describe patterns in terms of amplitude and wavelengths and that waves can cause objects to move.**
