

EAP: BASKETBALL & VOLLEYBALL

Emergency Personnel:

- ATC will be on site for all high school games and periodically during season practice.
- AED trained head coach on site.

Emergency Communication:

- Cell phones will be the primary communication method.
- Land lines can be used as back-up.
- If a radio station is present they can be used as well.

Emergency Equipment:

- In season practice – First Aid Kit, AED machine, Ice
- Off season practice – First Aid Kit
- Game – Athletic Training Kit, First Aid Kit, Ice, Biohazard Kit.
- Additional emergency equipment accessible from the High School training room.
- AED available in both the High School and Middle School gyms.

Roles of the First Responders – ATC will be in charge of care if present:

1. Immediate care of the injured or ill student-athlete
2. Emergency equipment retrieval
3. Activation of emergency medical system
 - a. Call 911 from land line or 773-3111 from cell phone & provide name, address, telephone number, number of individuals injured and their conditions, treatment administered, specific directions to complex and any other information requested.
 - b. Remain on the phone until directed by 911 personnel to end call.

Roles of the event supervisor:

- Meet or “flag down” EMS and direct EMS personnel to the scene if ATC has called for their assistance.
 - Or designate someone to meet EMS personnel.
- Open doors and clear path for EMS personnel to enter and leave facility.
 - Or designate someone to open doors or clear a path.
- Scene control: limit the scene to first aid providers and move bystanders away from the area.

Venue Directions:

The high school gymnasium is located at 500 E. Main St and the middle school gymnasium is located at 505 E. Main St. Enter using any of the three entrances of the parking lot. Access to the high school gym can be gained through the main doors located in the front of the high school. Access to the middle school gym can be gained through the two sets of doors at the southeast of the middle school.
