

## Gold Standard Pre-K Program

**Congratulations to the Brown County Pre-K Program!** Brown County Pre-K program is 1 of only 26 districts or entities and 1 of approximately 150 individual programs throughout the State of Illinois who were designated as a "GOLD Standard" Program. Considering the hundreds of Pre-K programs throughout the State of Illinois in public schools, this is quite an achievement and honor! Good work and pats on the back go to all the many BC staff members that work together as a team to make this a reality!

*Vicki Phillips, Superintendent  
Brown County School District*
