

MEAL DISTRIBUTION INFORMATION

Brown County Schools are now closed and all related activities cancelled in response to the Governor of Illinois' recent official proclamation to do so. At the time of this message, we are planning to return to school on March 31, 2020.

Meal distribution for Brown County School families will begin this Thursday, March 19th, for families who have opted into the program. Those families will receive a separate all-call notice on Tuesday, March 17th, detailing the places designated for food pick-up and the times that the meals will be available. If you did not receive a contact from office staff personnel today or if you received a voicemail notice and would still like to opt into the program and receive meals, please call your child's school office at 217.773.7500 and leave a message stating your name, your child's name, and your phone number.

Brown County School Buildings are closed at this time and will remain so until further notice. Please take recommended precautions and stay well.

Mrs. Phillips, Superintendent of Brown County Schools
