*The following instructions are for using the Skyward website.*

1. Go to skyward.bchornets.com and log in.
2. The Wellness Screenings section should show up in the top center of the screen. (This is true whether using Family Access or a teacher account.)
3. Click on each person listed and answer the screening questions.

*The following instructions are for using the Skyward app.*

1. Open the app.
2. Scroll down until Wellness Screenings.
3. Click on Today's Screenings.
4. Answer the screening questions for the student listed and click submit. If you only have one child, you are now done for the day. If you have multiple children, you will need to complete the following steps for your other children as well.
5. Click on the three lines in the top right corner to open the menu.
6. Click on the child's name, which will bring up the option to select another child.
7. Click on the next child's name, and then click back over to the left to return to the section where you can select and complete the Wellness Screening for the second child.

Repeat these steps for all of your children.
