

BC AND **BEYOND**

WHAT

BC & Beyond (BCB) promotes and encourages the practices that will make students successful beyond Brown County High School such as problem solving, content knowledge, real-life experiences, and habits of success.

The Program recognizes and endorses those students who have proven themselves capable and prepared to succeed beyond graduation from Brown County High School - whether that is direct to employment, military service, community college, apprenticeship, workforce training, or a four-year university. A former version of this Program was called Brown County High School "Ready for College, Ready for Work".

WHO

All Brown County High School students are automatically enrolled in the BC & Beyond Program.

WHY

BC & Beyond Certificates are evidence that students are developing the practices and habits that will give them a head start in college and the marketplace.

BC & Beyond Certificate and points are part of the selection criteria for Tracy Family Foundation Scholarships. A student must have a BC & Beyond Certificate to be eligible to apply for a TFF Scholarship.

THE DETAILS

Students may earn a Gold or Silver Certificate each year based upon the total BCB points they accumulate. Students may earn points each year of their high school career. Points are awarded for:

- Attendance
- GPA
- Discipline
- Extracurricular Activities
- College Meetings & Visits
- Job Shadowing
- Meeting with Counselor
- Mock Interview
- Paid Job
- Volunteer/Service Hours
- Organizational Skills
- Respectfulness
- Positive Attitude
- Strong Work Ethic
- Communication
