Eberle asked for direction from the board on the percentage of Treasurer’s bond coverage they would like to maintain. Eberle explained that while the current percentage of coverage is set at a minimum of 25% of the prior fiscal years ending cash and investment balance, the board could decide to lower the coverage amount to as low as 10%. Eberle said the ability to decrease the bonding threshold is related to the districts financial status according to the State Board of Education’s School District Financial Profile System. The board discussed lowering the coverage amount to 12% for fiscal year 2025 and revisiting annually.
